PRESIDENT PIECE

★ Hi guys, not a lot happening this month. Jacob got a team together for the Scott Trophy last month - I'll let him give you the results.

We have a few more students on the books now which is great to see and welcome to them all. Remember Saturday afternoon is usually the social gathering time, so come along about 2 or 3 pm and have a coffee and chat. You can learn a lot over a coffee.

I think its about time we had another Saturday afternoon competition before the bad weather sets in. Remember half price flying and a good social time.

That's all for now , Rod.

(Jacob I think that might be a hint for you to organise something??)

INSTRUCTOR INSIGHT

I believe everything has been going well in this area and thanks to a few more students and the great weather we have been having there has been a bit of flying happening.

WHAT'S BEEN HAPPENING???

Well done to those who went through to New Plymouth for the Scott Trophy, there must have been some good flying to gain second place no doubt coupled with a nice flight up.

The Tecnam has had it's oil leak fixed and is now back to what it should be, so if you haven't been up in it give it a go.

CLUB CAPTAIN CORNER

Scott Trophy: New Plymouth Aero Club put on a very good cooked breakfast, which was much appreciated. It was a good turn out with even a few Stratford people coming along for a look; hopefully next time we might have a few of them compete. We had Tad and Tony doing the student landings and bombings and we even had a back up student (John), so a very good showing thanks to Tom's encouragement. Due to a lack of PPLs I did both the landing & bombings and between us all we came second behind New Plymouth, and Wanganui third.

Hawera will be holding the next Scott trophy, which will be in around three months time, date to be confirmed soon. With it being held at Hawera and with plenty of notice I hope we will get a strong team of volunteers and competitors to put on a good show for New Plymouth, Wanganui and hopefully Stratford..

It's been good to see people making the most of this fine weather and getting in some flying. Remember winter is just around the corner so get in quick.

Safe flying everyone – Jacob

ClubCaptain@HaweraAeroClub.org.nz

WHAT'S COMING UP?

If you don't know what the Scott Trophy is or if you are a bit shy about entering please talk to Jacob or Rod—the atmosphere is very relaxed and it is a great chance to meet some others.

Well that's about it, at the moment I feel like the phantom member as I haven't been out to the club in ages hopefully that will be fixed soon after Easter speaking of which hope you all have a great break and the Easter Bunny is good to you.
