## PRESIDENT PIECE

★ Hi to all,

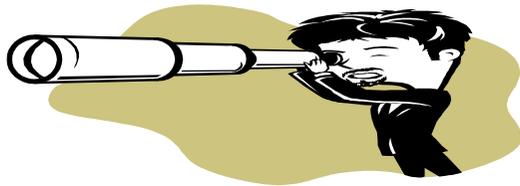

My thanks to all the members that turned up for the working bee. We had a good day getting all the jobs done. The runways look excellent with all the tyres and marker boards painted. We also got the advertising sign back up at the entrance, both hangars washed out and all the aircrafts cleaned. A pizza lunch was enjoyed by all.

Unfortunately the Tiger Moth Club can't come next weekend as they can't get accommodation in Hawera. The 172 may be going up to New Plymouth on dry hire during the week so if you want it for the weekend make sure you "book it" for the days you want. No "bookings" - no plane. That's all for now,

Rod

## INSTRUCTOR INSIGHT

So much for nabbing Tom for some insight, he has been away on holiday. So we have had a couple of other instructors. I believe there hasn't been too much flying going on.

We can no longer blame the weather or the lack of aircrafts so where is everyone?????

Reminders to all aero club members keep your AIP's up to date and the vector magazine is worth reading.

## CLUB CAPTAIN CORNER

I'd over looked the newsletter this month (had a lot on and away on holiday) apart from a big thanks to all the people that helped out at the working bee and a good turnout, there is not a lot else to report on.

Jacob ClubCaptain@HaweraAeroClub.org.nz

## WHAT'S BEEN HAPPENING???

Well the working bee, what a great turn out and what a highly organised group. Under Rod's direction the jobs went up on the board and it was a simple task of put your name next to something and go to it. Thanks to all who turned up (there were heaps of us) and special thanks to Tad, Stephen (both of them), and Terry for supplying extra equipment which made life soooooo much easier. Thanks to Heather too, I can't believe Jacob made you pick up the pizza and then you didn't get to stay for lunch!!!

## WHAT'S COMING UP????

There may be a change in our instructing days, with most of our students now the proud owners of PPL's the club may elect to only having an instructor one day a week. Finally the AWIB is back up and running. The Scott Trophy news update is the Stratford Aero Club has asked to be included again, now that the nationals held in New Plymouth are over this competition will start again, Jacob should have news for you next month. Well until next month, keep safe everyone and try and make some time to get up and have a fly.
