PRESIDENT PIECE

★ Hi guys -
Not a lot happening again this month. Its good to see that the flying is picking up now with a few more students coming through. Will try to get some comps organised by the end of this month.

So remember everyone - half price flying in competitions. Doesn't matter how many hours you have in (1000 or just 10) you're all welcome to come along and have some fun. If you would like to have a fish and chip night afterwards please let Doug know by e-mail or start a list at reception so we can plan for numbers. Its always good to have a social get together and get to know fellow pilots and families.

Children are welcome so don't worry about baby sitters.

Safe flying, bye for now.

Rod.

WHAT'S BEEN HAPPENING???

By all accounts it's been a reasonably steady month, all planes have been getting a bit of flight time, there are a few new students taking the plunge and the old regulars are doing the odd flight.

For those of you who didn't know Julie Imgram (PPL and Committee Member) has been down south studying for her CPL theory so if anyone needs any help I'm sure she would be more than happy to oblige, as far as we are aware all is going well for her.

WHAT'S COMING UP?

Doug has told us he won't be continuing with looking after the gardens so if anyone knows someone who may like to take this task on please contact Doug at the Club.

The social day and Scott Trophy—mark those dates on your calendar.

CLUB CAPTAIN CORNER

Hi again - there has not been much to report on the last month. Good to see a plenty of "student flying". More PPLs need to be taking advantage of the good days (when we have them) too.

Club Competition flying: There will be competition flying on Saturday 19th of May kicking off at 1:30pm.

All welcome.

It's informal so if you don't want to fly, come out for a cuppa and a chat.. Remember competition flying is half price.

Pencil this date in to your dairies:

Next Scott Trophy – Sunday 17th June 2007 at Hawera.

I will remind everyone again closer to the time. We will need plenty of helpers on the day as we will be cooking up a good breakfast for New Plymouth, Wanganui and (all going well) Stratford clubs, before doing the competition flying.

Reminder: if anyone has any fun things that they would like to do send me an email and I'll try to arrange it. Remember that it's your club so have your say.

Night flying: I'll be trying to get an instructor sorted for training on night flying this coming winter. Anyone interested please send me an email with your name and contact number(s).

Safe flying everyone – Jacob
