PRESIDENT PIECE

Hi to all.

★ First off I'd like to welcome Julie Ingram to the committee. On the aircraft front - the 172 should hopefully be coming back the middle of the first week in October, however it will be going on lease up to New Plymouth aero club during the following weeks so if you require the 172 for the weekend please book it by Thursday so we can arrange for it to be ferried down. At the moment the A-wib is out of action so please take note of the wind socks and remember to do overhead rejoins when returning to the circuit. Safe flying, Rod!

INSTRUCTOR INSIGHT

Hi every one,

I haven't been down in Hawera as much as I'd like lately but I'm still with you and working for you. Only a couple of things this month. EOS will be back with us very shortly so all of you that have BFR's and type ratings backed up get in and make bookings and we'll get them done asap upon its return.

Secondly please when calculating the time to next inspection on the aircraft logs be careful with your math and use the airtime of the flight **not the flight time.**

Some mistakes are being made and this throws out our timings for maintenance.

Look forward to seeing you all at the club

Fly safe—Julian

WHAT'S BEEN HAPPENING???

Hey Everyone, I'm sneaking in here just so I can introduce you to your new Club Captain before he has his spiel!!!! No doubt you will all know Jacob he has been a long time member as well as being on the committee and he has graciously taken over the role for the newsletter that Linda use to do—speaking of Linda she is still alive and well and enjoying Christchurch is anyone is down that way make sure you look her up. Also welcome to Julie onto the committee—enjoy..

I apologise for no newsletter last month—did you notice????? But between work, calving, bad weather, the agm and the change in committee I quite simply put it in the too hard basket!!! But we are now all back on deck and looking forward to good weather and some flying—yippee!!!!

CLUB CAPTAIN CORNER

Good news on the imminent return of EOS; should be back soon. New engine (2000 hours on it), just in time for all that fine weather we are going to get (hopefully).

Julie Ingram has done an excellent job making up some eye catching Want to learn to Fly fliers which will be at the club rooms. Feel free to take some and give them out to people that may be interested or pin up on your work notice boards etc..

The next Scott Trophy will be in New Plymouth; date not set at this stage. Julian will keep us posted on that once the date is set..

New Zealand Masters games are 10th February 2007 at Wanganui. Open to ages 30+ - aerial golf / aerobatics / spot landings etc. check it out on <http://wanganui2007.nzmg.com> - click on Sports Page; then Flying for more information.

NZ Pilot Expo, Ardmore Airport Saturday 2nd & Sunday 3rd December 2006.

If you are interested in any of the above, add your name to the lists held at the club office. If you know of anything else that other club members may be interested in feel free to let me know and I will let the rest of the club know by adding to news letter, web site etc.

email: ClubCaptain@HaweraAeroClub.org.nz

Safe flying everyone Jacob

WHAT'S COMING UP????

He's not bad is he—well done Jacob keep it up.

A couple of other bits from the committee a CAA notice about forced landings Civil Aviation Rule Part 91.311 (c) regarding forced landings without power please use low flying zones where possible if outside these areas you must exercise discretion and common sense in selection and use of those site e.g. outside a horizontal radius of 150m from any person, vessel, vehicle, or structure that is not associated with the operation.

And last but not least here is your committee and what jobs they have so you know who to go to when you need answers!!!

Club captain, Jacob. Airfield, John and Ralph, Fleet, JRT and Rod, Farm, Rod and Mike, Office, Rod and Ralph, Grounds, Steve and Christian, Buildings John and Christian, Promotions Jacob and Julie, Newsletter, Jenn
